

"When Jacob was diagnosed at six months, I was told there was nothing the medical community could offer. I was told to go home and watch Jacob die. Seven years later, our efforts have ushered experimental interventions that have halted the disease and have enhanced the lives of children dying of Canavan today. With your help a cure is just a few short years away".

JORDANA HOLOVACH
DIRECTOR, JACOB'S CURE
"JACOB'S MOM"

**STRIKE OUT
CANAVAN DISEASE**

Sunday, March 7, 2004
